Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Friday 19 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming brighter, colder during Saturday. Heavy showers following in north.

This Evening and Tonight:
Cloudy night but mainly dry in the south and east. Outbreaks of rain continuing in the north, heavy at times, especially across Caithness and Sutherland. This rain will push southwards later tonight. Another breezy and very mild night.

Saturday:
Rain clearing southwards through the morning followed by sunshine and showers. The showers becoming heavy at times over northern Scotland, wintry on hills. Turning colder with strong, gusty northwesterly winds.

Outlook for Sunday to Tuesday:
Cold Sunday with sunshine and showers, wintry over high ground, dying out later. Mainly dry and a little milder on Monday and Tuesday but a few showers in the north.
